PhotoCapture Centre™

With digital photography becoming more and more popular, the DCP-110C has all you need to enjoy the benefits of this new technology. Its media slots allow memory cards to be read without a plug-in card reader or the inconvenience of using the software on your computer to download your pictures. You can study a complete selection of thumbnails before you make your print selection, saving time and expense. You can also save and retrieve files via your media card, making this an additional and convenient data transfer tool.

The DCP-110C is compatible with six of the most popular media cards:

- **Compact Flash™**
- **SmartMedia™**
- **Memory Stick™**
- **Memory Stick Pro™**
- **Secure Digital™**
- **xD Picture Card™**

Individual ink cartridges

Eliminating the frustration of having to throw away unused inks, Brother's colour inkjet machines provide separate ink cartridges for each colour. Now all you have to do is replace the empty colour cartridge reducing wastage and the cost per copy.

Individual ink cartridges save you money

At your side.

brother®

The stylish DCP-110C from Brother.

All-in-one printing, copying and scanning has never been easier.

PC - free copying at up to 600 x 1,200dpi resolution

Scanning at up to 19,200dpi interpolated resolution

Direct photo printing from media card

DCP-110C
- Colour Printer
- Colour Copier
- Colour Scanner
- PhotoCapture Centre™

If you have a keen eye for what looks good, but space is at a premium, then the DCP-110C from Brother is the right machine for you.

One look and you know it will be easy-to-use

A compact all-in-one machine makes sense for every home or home-office. The DCP-110C is simple to use in every mode. The ergonomically designed control panel, with clear keypad layout incorporating LCD, ensures easy communication between you and your all-in-one.

Quality printing every time

The DCP-110C produces crisp clear prints whether you want a simple text document or a complex colour chart. If you want to print from your camera then borderless printing creates true photo-style results right up to poster size. All this at print speeds that reduce waiting time to a minimum.

- **Up to 1,200 x 6,000dpi print resolution**
- **Up to 20ppm mono print speed**
- **Up to 15ppm colour print speed**
- **Borderless printing**
- **100 sheet front loading paper tray**

Multi-source on-demand copying

Copying with or without your PC has never been easier or more accessible. The DCP-110C houses a number of quality copy features that make life easier including an adjustable hinge, meaning that pin sharp copies are now available from a wider variety of sources than ever before.

- **Up to 600 x 1,200dpi resolution**
- **Adjustable hinge**

The added versatility of a colour scanner

Like all the functions of the DCP-110C the scanner is not only simple to use, it produces consistent quality whatever the source. Scanning directly to your PC can be done easily using the scan to e-mail, image, OCR, file, and card function. Another added bonus is that the latest scan software is included at no extra cost.

- **Up to 19,200dpi interpolated resolution**
- **One-touch scan to PC**
- **ScanSoft® PaperPort® and OmniPage® software included**

DCP-110C

Technical Specification

General

Engine		Inkjet
LCD Display		1 line x 16 characters
Back-up for clock		Keeps time and date backed up for 1 hour
Memory Capacity		8MB standard
Paper handling size		A4, LTR, LGL, EXE, A5, A6, Postcard, Envelope + additional sizes
