# XL-6600

*The XL-6600 is loaded with features designed for user-friendly fun.*

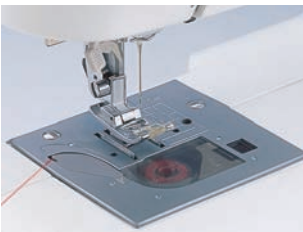

*Delivering great functions, along with limitless decorative sewing possibilities.*

*The machine is perfect for customising clothes or home furnishing projects.*

## Easy To Use

Easy operation makes sewing more efficient.

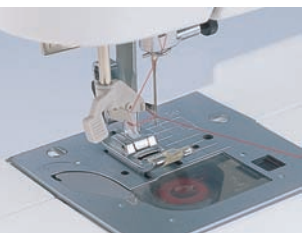

### QUICK-SET BOBBIN REPLACEMENT

The easy-to-view window tells you at a glance when more thread is needed on your bobbin. Simply drop in a full bobbin and the Quick-Set feature has you ready to sew immediately.

## Practical

Makes difficult tasks effortless.

### F.A.S.T. NEEDLE-THREADING SYSTEM

Fast and simple threading says it all! Saves time and your eyesight, by automatically feeding the thread through the needle's eye.

### STITCH LENGTH/WIDTH ADJUSTMENT

Adjustments for stitch length, stitch width and variable needle positions make sewing fine details fast and easy. Quilters will love the variable needle position for adjusting the seam allowance.

### 1-STEP AUTOMATIC BUTTONHOLE

The 1-Step "Automatic" buttonhole feature creates a perfectly uniform buttonhole every time. Simply choose the stitch and all four sides of the buttonhole will be sewn to match the exact size required for your button! Stitch balance control makes both sides of the buttonhole uniform.

## Flexible And Convenient

Designed for your convenience

### FREE ARM AVAILABILITY LETS YOU SEW ANYTHING

The machine can be turned into a free arm simply by removing the extension table. Ideal for sewing round and cylindrical items such as bags and sleeves and for attaching pockets, this feature is extremely convenient.

### TWIN NEEDLE FUNCTION

Your machine is designed for twin needle sewing, which allows you to sew with two top threads. You can use the same colour or two different colours of thread for making decorative stitches.

### ACCESSORY STORAGE

Sewing accessories are conveniently stored inside the extension table.

### DROP FEED

The drop feed lever makes it easy to lower the feed dogs for free motion or free hand sewing, embroidery and monogramming.

## Optional Accessories

Special quilting attachments that give you added versatility for patchwork and quilting projects.

**WALKING FOOT**

**QUILTING FOOT**

### WALKING FOOT

Provides even-feed action when sewing multiple layers of fabric.

(Part code: F034N)

### QUILTING FOOT

Clear quilting foot is marked for easy reference, spring action handles a variety of fabric thicknesses.

(Part code: F005N)

### 1/4-INCH QUILTING FOOT

For quilt and patchwork piecing with 1/4" or 1/8" seam allowance.

(Part code: F001N)
