

Thank you!

Thank you for recycling your empty cartridge with Brother.

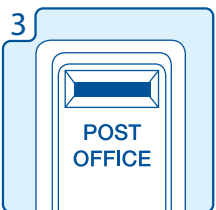

This service is for genuine Brother supplies only.

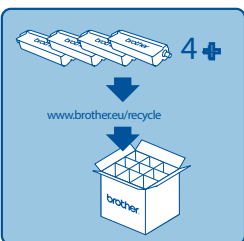

Put the empty cartridge in the packaging from your new cartridge. Put the used item in the box and tape the box closed.

Cut out the label below, and stick it to the box. If you would like to send two empty cartridges, please stick the boxes together. One label can be used for two boxes.

Take the box to the post office where it will be sent to our recycling technology centre.

Should you wish to return four or more cartridges, please return to the website and order a bulk box, free of charge.
