

Business Smart J5000 Series

Print | Copy | Scan | Fax

All-In-One Inkjet Printer

Part of the new and improved J5000 range, this all-in-one inkjet is perfect for small businesses that have to be smart with their budget. With a first page out time of a speedy six seconds and a 50-sheet Automatic Document Feeder, it makes quick work of heavy workloads. And with robust construction materials and high-yield inks with a life of up to 3,000 pages, it's long-lasting too. Plus, it has an ace up its sleeve – the ability to print A3 from a compact A4 footprint.

Easy to use, productive and robust, the MFC-J5330DW has been engineered to deliver dependable quality, meeting the needs of demanding office environments.

- New build design delivers a more robust and easy to operate device suited to a busy work environment
- A new and improved print head increases machine life and ensures exceptional durability

With advanced paper handling the MFC-J5330DW can handle a variety of media types whilst helping you to stay productive with fast prints speeds and a first page print in just 6 seconds.

- Stay prepared with a 250-sheet capacity paper tray and a rear manual feed slot for printing on a wide range of media
- Enjoy fast and hassle free scanning of multi-paged documents with the 50 sheet Automatic Document Feeder
- Reduce print costs and paper usage with automatic 2-sided print

Stand out with professional marketing materials and vivid office handouts. Whilst keeping print costs and replacement frequency down too with our optional high yield cartridges.

- With new pigment based inks you can enjoy professional quality prints with sharp black text and vivid colour documents
- Save time and money with optional high yield cartridges that deliver yields up to 3,000 mono and 1,500 colour pages**

Connect seamlessly in the office and on the go with Wi-Fi Direct™ for wireless printing from your smartphone, tablet, laptop or desktop, without the need for a router.

- Stay connected with smartphone, tablet, laptop and desktop compatibility
- With wireless and Wi-Fi Direct you don't need a router to connect

Capture and digitize paper documents directly from the 6.8cm touchscreen for electronic storage and sharing on the go.

- Scan to popular cloud apps directly from the large 6.8cm intuitive swipe touchscreen
- Capture and convert documents with ease with our exclusive Brother Cloud Apps
