

On-person printing

Tackle the most challenging
environments with Brother's
4" mobile label and receipt printer

RJ-4230B

brother.co.uk/mobile-printers

Rugged mobile printing

Whatever the conditions

RJ-4230B

Our RJ-4230B mobile printer is fast, compact and extremely rugged. It empowers workers to operate in any environment with speed, accuracy and efficiency.

Bluetooth connectivity allows you to quickly print labels and receipts up to 4" wide where and when you need them in the field.

Easy to use

The LCD screen with menu options make programming easy and the backlight ensures you can see it in dark conditions.

Robust design

The RJ-4230B is our toughest yet, with an IP54 rating and drop tested up to 2.1 metres, providing the ultimate in durability.

Reliable connectivity

This model provides multiple connectivity options for use in different environments, with USB, Bluetooth (low energy) with MFI capabilities (Made for Apple iPod, iPhone and iPad).

Easy to deploy

Using the new mobile app, update your printer remotely from any location.

Seamless integration

Printer drivers are available for Windows OS, and software development kits can be downloaded to support Android and iOS operating systems. (www.brother.eu/developer)

Customisation

We have a wide range of accessories made to suit any environment.
