

ADS-1100W COMPACT WIRELESS DOCUMENT SCANNER

BRINGING PAPER TO LIFE

When your scanner is connected, everyone is connected

COMPACT, WIRELESS SCANNING

The ADS-1100W effortlessly scans your documents and makes them instantly available to distribute where required, making your day more productive and efficient. With Wi-Fi and USB connectivity, access can be shared across your workgroup allowing you to streamline your document management process. Powerful and compact, the ADS-1100W desktop scanner is ideal for minimizing paper clutter without taking up too much office space.

Capturing and sharing business critical information has never been easier.

ONE TOUCH SCANNING

Convert hard copies to digital files quickly and easily with the touch of a button. Configure pre-set scan settings for added efficiency when completing frequent scan tasks.

WIRELESS CONNECTIVITY

Scan directly to email and cloud accounts through a wireless network, meaning no need for a PC or cables. Plus, scan to your mobile device with the free iPrint&Scan app.

TIME SAVING

Built for business usage with scan speeds of up to 16 double sided colour pages per minute (32ipm) and a 20 sheet capacity document feeder.

COMPACT

Small footprint makes it ideal for the home or small office at approximately 8cm tall, 30cm wide and 10cm deep. Space-saving design takes up little desktop space and can be easily packed away after use.

RANGE OF SCAN-TO FUNCTIONS

Helps to keep your documents moving through cross function scanning to email, file, image, OCR software & USB.

VERSATILITY

Processes a wide range of mixed document materials through the auto sheet feeder, including A4 paper, receipts, ID and business cards.
