# Compact Connectivity

The all-in-one inkjet to suit  
modern home needs

## Compact size **huge** potential

Offering a wide variety of printing features including wireless connectivity and 2-sided printing – all packed into a compact size – this new Brother inkjet series is the ideal choice for all your home printing needs.

Introducing...  
the **MFC-J880DW**

# MFC-J880DW

The MFC-J880DW offers print, copy, scan and fax capabilities in a compact machine, as well as a wide variety of features to suit all of your home needs:

## Automatic Document Feeder (ADF)

Scan and copy multi-paged documents with ease using the Automatic Document Feeder.

## Mobile

Use the iPrint&Scan app, Apple AirPrint or Google Cloud Print to print and scan straight from your iPhone, iPad, Android device or Windows Phone.

## Flexible paper handling

A manual bypass slot allows you to easily print envelopes and other types of media.

## NFC

Print directly from your mobile device without needing to connect to the network with near field technology.

## LCD touchscreen

Navigate the simple to use menu system via the large 6.8cm LCD touchscreen display.

## Wireless

Easily connect and share across your existing wireless network.

## Cost effective printing

High yield ink cartridges capable of printing up to 550\* black and 550\* colour prints, combined with other cost-saving features like 2-sided printing and ink save mode help to lower your total cost of ownership.

# Technical Specifications

The compact MFC-J880DW with wired or wireless network connectivity to make it easy to connect to for scanning or printing. With 2-sided printing and individual ink cartridges that deliver up to 550 pages\* (black and colour) to help save on printing costs, the MFC-J880DW is an ideal device for any home environment.
