## PT-H75 New look Brother promotional label printer

Labels aren't just powerful – they're now ultra-affordable too thanks to the PT-H75 handheld label printer. Perfect for home users, this machine produces durable labels that can cope with any conditions. The easy-to-read screen, ABC keyboard and built-in cutter make it highly convenient too.

Based on the popular PT-1010R, this handheld machine boasts a whole range of features that home users will love, at a very competitive price – making it the perfect model for both back-to-school and Christmas shoppers.

The new PT-H75 now comes with tape and batteries, which means users can be up and running in just a few seconds.

### Key features

- Save time, printing up to 10mm per second
- Durable labels up to 12mm, able to handle extreme conditions
- Convenient built-in cutter
- Easy to use ABC keyboard
- Easy-to-read graphical LCD screen
- Includes 12mm black on clear tape (4m) and 6 x AAA batteries

LABELS ARE POWERFUL

WHAT DOES YOURS SAY?

Brother P-touch laminated labels have been tested to the extreme, which means that even when they're exposed to water, sunshine, heat, cold, chemicals and abrasion, our labels have been designed to last.
